

Scott® Hygienic Bathroom Tissue

Hygienic Solutions for Everyday Problems

A hygienic solution for your common washroom problems, SCOTT® Hygienic Bathroom Tissue System delivers bath tissue in an interleaved cut sheet format with a choice of 1 ply or 2 ply.

The individual sheet dispensing controls usage and reduces the risk of cross-contamination as the users only need to touch the paper they use. There is also no stub roll waste associated with this intelligent system.

It comes with a stylish AQUARIUS* high capacity dispenser which can hold up to 1,100 sheets at one time and it is easy to load and top up. The fully enclosed unit ensures tissue remains protected and hygienic at all times.

SCOTT® Hygienic Bathroom Tissue

- Single sheet dispensing controls usage.
- Users touch only the sheet they need hence reduces the risk of cross-contamination.
- High capacity top up system allows easy maintenance and ensures no run outs.
- No stub roll waste.
- Key lockable dispenser to deter pilferage and misuse.
- Fully enclosed unit ensures no unsightly rolls lying around.
